Call to Order

The minutes from October 6, 2014 were approved

Discussion

- Café Ordinance William Street – new proposed regulations were presented by Mike Craig. There were many good comments and suggestions from the Commission. Mike will take these under advisement and add to the document. The next step is to bring together Main Street along with café owners from the downtown area. This meeting will be in January.
- The Litter Ordinance change to a class 1 misdemeanor was discussed, Kerry Devine will pursue this change with the City Attorney.

Green Committee Updates

- William street bump outs – We discussed bringing this topic back to the table. Bryan Hofmann has access to a grant that could facilitate this action. A meeting will be set up by Kerry Devine to discuss this further with Doug Fawcett.

Comp Plan – We discussed having a chapter dealing with Sustainability in the comp plan. The consensus was that placing sustainability throughout the document was the best plan. Members of the Commission will be checking the Comp Plan one more time to see if there are additions or corrections required.

We adjourned the meeting at 7 pm
