

Sole Source Procurement Declaration
Fredericksburg City Code § 2-361(d)

What is being procured:

Provide one Service Engineer for up to 2 days onsite to conduct a health check review and troubleshooting for the belt press. This will include a written report with any recommendations as well as a list of recommended parts needed to upgrade your system.

Selected vendor:

Evoqua Water Technologies LLC

Contract amount:

All below pricing shown is estimated and PO's shall be written in US Dollars. All labor and expenses will be invoiced at actual vs. estimated.

Our Estimate breakdown is as follows:

Estimated Travel Expenses (airfare, service, vehicle).....	\$1,000.00
Estimated Expenses (lodging, car rental, meals).....	\$1,060.00
Estimated Travel Time @ \$110.00 per hour, # of hours 12	\$1,320.00
Labor rate @ \$1,250.00 per day, number of days 2	\$2,500.00
Estimated parts required.....	
Total Estimate	\$5,880

Why this is only practicably available from one source:

Evoqua Water Technologies LLC is the manufacturer of the Belt Filter presses. The presses are currently inoperable. Electrical Technicians have been unable to identify the problem/solution to the issue. This is a pending emergency request.
