**May 14, 2019**

**The Council** of the City of Fredericksburg, Virginia, held a public hearing on Tuesday, May 14, 2019, beginning at 7:45 p.m. in the Council Chambers of City Hall.

**City Council Present.** Mayor Mary Katherine Greenlaw, Vice-Mayor William C. Withers, Jr., Council members Kerry P. Devine, Dr. Timothy P. Duffy, Charlie L. Frye, Jr., Jason N. Graham and Matthew J. Kelly.

**Also Present.** City Manager Timothy J. Baroody, Assistant City Manager Mark Whitley, Assistant City Manager Doug Fawcett, City Attorney Kathleen Dooley, Budget Manager Deidre Jett, Director of Community Planning & Building Services Charles Johnston, Building Administrator Marne Sherman, and Clerk of Council Tonya B. Lacey.

**Notice of Public Hearings (D19-213 thru D19-214).** The Clerk read the notice of the public hearings as they appeared in the local newspaper, the purpose being to solicit citizen input.

**Ordinance 19-23, First Read Approved, Amending the City Sign Ordinance to Allow Temporary Banners (D19-213).** 1 speaker. Staff gave a brief presentation explaining the proposed changes to allow temporary banners for up to 60 days.

**Sara Poore**, President and CEO of the Fredericksburg Area Museum, 907 Princess Anne Street thanked the Council for considering a change in the temporary banner

ordinance. Ms. Poore said the museum was an advocate of the change in the temporary banner ordinance. She said they use temporary banners to advertise their programs. She said the current ordinance does not look at the museum as a non-profit entity but lumps it with retail businesses. She said the two were very different and should be given different allotments for temporary banners. They use these banners to advertise their programming for the community. Ms. Poore explained because of the time restrictions the banner does not allow them to advertise appropriately for their Sounds of Summer program. She asked the Council to change the ordinance to make an exception for museums.

Vice-Mayor Withers asked if they could make an exception for museums and City Attorney Dooley said it was her recommendation from the perspective of sign regulation there should be a single ordinance that applies to uses. Mr. Withers asked the reasoning for the recommendation and Ms. Dooley said requirements under the constitution and the statutory law, the uniformity requirement in the State Code, that tracks the equal protections of the constitution says things that are alike should be treated the same under law. She said there has been no distinction between a banner for non-profit and a banner for for-profit use therefore they should be treated the same.

Vice-Mayor Withers said he could not support because it changes the code for all banners.

Mayor asked if there was a size limitation on the banners and Ms. Sherman said there was a size limitation of a maximum of 40 square feet or half of the permanent sign allowance or whichever was less.

Councilor Graham asked if Option B (making the exception for museum) would open the City up to lawsuits and Ms. Dooley said she had that concern.

Councilor Frye thought it would be practical to give businesses the 120 days because many of the banners were seasonal.

Councilor Devine expressed her concern that when banners are up for a long time they are forgotten and she was not in favor of increasing everyone's temporary signage allowance.

Councilor Devine made a motion to keep the current ordinance to allow permitted banners to be displayed for thirty consecutive day and separated by a period of not less than 30 days; motion was seconded by Vice-Mayor Withers.

Councilor Kelly said he understood staff's rational but his biggest concern was allowing the banners for displaying the sponsors and he said that was free advertising for the sponsors and he asked could they get away with advertising the non-profit or simulated events. Ms. Dooley said that would cause a run into the 1<sup>st</sup> Amendment, which says you cannot regulate signs based on what they say and staff has proposed a content neutral, time place and manner. Councilor Kelly said what he was trying to get around was the content and tie the banner to a specific group and Ms. Dooley said then you run into the equal protection clause in the 14<sup>th</sup> Amendment.

Councilor Devine made a friendly amendment to the motion to adopt Ordinance 19-22, Option A, on first read, changing Paragraph A to allow a maximum of one banner to be displayed at one time, the area of the banner is limited to 50 percent of the aggregate area of the permitted permanent building signage or 50 square feet or whichever is less and Paragraph B (all the italicized changes) would be stricken and the number of days would remain at 30 consecutive days maximum, 4 times a year, separated by a period of no less than 30 days each time; amendment was accepted by the seconder Vice-Mayor Withers.

Mayor Greenlaw stated that she was in favor of allowing the longer time but she was willing to split the difference and settle for 90 days. She said she could not support the current motion.

The motion passed by the following recorded votes. Ayes (4). Councilors Withers, Devine, Duffy and Graham. Nays (3). Councilors Greenlaw, Frye and Kelly.

**Ordinance 19-23, First Read Approved, Amending the City Sign Ordinance to Allow Electronic Variable Message Signs for Drive-Through Windows; Allow Electronic Variable Message Signs at Convenience Stores with Gasoline Sales, on Portions of U.S. Route 1 and Virginia Routes 2 and 3 (D19-214).** no speakers. After staff presentation and brief

discussion Councilor Graham made a motion to approve Ordinance 19-23, on first read, amending the city sign ordinance to allow electronic variable message signs for drive-through windows; allow electronic variable message signs at convenience stores with gasoline sales, on portions of U.S. Route 1 and Virginia Routes 2 and 3.

Councilor Kelly said he could not support the changes.

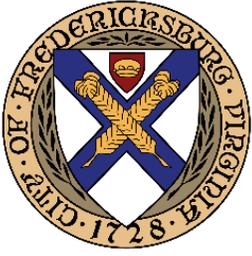

The motion passed by the following recorded votes. Ayes (6). Councilors Greenlaw, Withers, Devine, Duffy, Frye and Graham. Nays (1). Councilor Kelly.

**Adjourned.** There being no more speakers to come before the Council at this time, Mayor Greenlaw declared the hearing officially adjourned at 8:15 p.m.

**May 14, 2019**

**The Council** of the City of Fredericksburg, Virginia, held a regular session on Tuesday, May 14, 2019, beginning at 7:30 p.m. in the Council Chambers of City Hall.

**City Council Present.** Mayor Mary Katherine Greenlaw, Vice-Mayor William C. Withers, Jr., Council members Kerry P. Devine, Dr. Timothy P. Duffy, Charlie L. Frye, Jr., Jason N. Graham and Matthew J. Kelly.

**Also Present.** City Manager Timothy J. Baroody, Assistant City Manager Mark Whitley, Assistant City Manager Doug Fawcett, City Attorney Kathleen Dooley, Budget Manager Deidre Jett, Director of Community Planning & Building Services Charles Johnston, Building Administrator Marne Sherman, and Clerk of Council Tonya B. Lacey.

**Opening Prayer and Pledge of Allegiance.** Council was led in prayer by Councilor Matthew J. Kelly followed by the Pledge of Allegiance led by Mayor Mary Katherine Greenlaw.

**Officer Recognized.** Mayor Greenlaw recognized the presence of Officer Chris Menck, at this evening's meeting.

**Introduction of the New Human Resources Director.** Assistant City Manager Whitley introduced the new Human Resources Director Ms. Lesley Moore. Ms. Moore has 20 years of human resources experience, 17 of those years were in local government.

**Proclamation for the Marine Corps Historic Half Day (D19-212).**

Mayor Greenlaw presented Angela Anderson with a proclamation proclaiming May 19 as Marine Corps Historic Half Day and she encouraged citizens of the community to open their arms with support, cheer on the runners and display warm hospitality. She further urged the citizens to embrace the mission of the Marine Corps Marathon Organization by leading an active and healthy lifestyle, to generate community spirit and honor the men and women of the United States Marine Corps.

Ms. Anderson thanked the Mayor and the Council for their support and for the wonderful partnership over the past twelve years.

**Public Hearings (D19-213 thru D19-214).** The regular session was recessed in order to conduct scheduled public hearings and immediately reconvened upon their conclusion.

**Citizen Comment.** The following speakers participated in the citizen comment portion of this evening's meeting.

**Scott Dehaven (D19-215)**, 221 Braehead Drive, spoke in opposition of the proposed redevelopment of 215 Braehead Drive. He spoke about how mature the subdivision was and how the homes span several lots. It was zoned R-1 but there is no longer an R-1 zoning. He said there was a proposed infill on the 215 lot and this would damage the integrity of the neighborhood and could be a loss of 100 or more trees. He said the design was poorly designed. The zoning was changed in 1984 to R-4 but it should have been zoned R-2 like Altoona, Westmont and Westwood. Mr. Dehaven said they would like to have the neighborhood downzoned to R-2. He mentioned the drainage problems and how more homes may exacerbate the problems.

**Adrienne Raymond**, Braehead resident, spoke and said she was concerned about additional surface water being added to the Stormwater channels in the neighborhood. She said the ditches and trenches in the neighborhood were at or above capacity. She said her house was within 3-4 feet of the channel that exits Braehead and she was concerned that any additional water could lead to flooding of her home. Ms. Raymond said the neighborhood was in need of a comprehensive stormwater management plan and upgrades before additional development should be considered. She asked the council to help them come up with a short term plan to block flooding and erosion and a long term plan to get the neighborhood back up.

**Bridgette Cseko**, 321 Braehead Drive, spoke on how beautiful Fredericksburg is and how she loves the neighborhood she lives in because it abuts the battlefield but she never imagined that someone would want to subdivide their property in the neighborhood. She asked the City to consider the erosion, drainage, property devaluation and the destruction of mature trees that make Braehead wood what it is. Ms. Cseko said on a temporary basis construction would interrupt daily routines, increase traffic, change water flow, increase noise and increase litter. She asked the City to protect one of its most unique neighborhoods.

**Garrett Wood**, 300 Lee Drive, said he loves his property and he has put an extensive amount of money into the home. He expressed his concern for dividing the property at 215 Braehead. He said it would be in contrast to the rest of the neighborhood. He was also concerned with how quickly development had progressed in the area. He said adding more residential units would add to the congestion. He asked the City to slow down on high density projects.

**Piper Foresman**, 224 Braehead Drive, said she had concerns with the change of the zoning from R-1 to R-4 in 1984. She said several older residents that live in the

neighborhood did not know this zoning change was or had taken place. Ms. Foresman said subdividing the property at 215 Braehead Drive would change look of the neighborhood. She was also concerned that building a house close to the street was not in keeping with the look of the neighborhood.

**Victor Meyer**, 8 Lockhart Circle, said he built his home in 1974-75 and he raised his kids there. He said he has the lowest lot in Braehead, he said he built a ford to carry the water but over that last 10 years there has been more storms and he has to poured concrete every couple years to repair the stream beds and fill holes washed in the ford. The City installed culverts in his neighbor's driveway immediately upstream and the stream still flows out of its banks and washes down his driveway and has cause serious erosion. He said the proposed lots would cause substantial runoff. He said there was not a by-right approval of this project. He asked the Council to consider the large number of residents affected by this who live in Braehead Woods and pay taxes and he asked the Council to deny this proposal.

**Council Agenda Presented.** The following items were presented to Council for discussion.

7A. R-4 Zoning – Councilor Duffy

7B. Fredericksburg Gun Giveback – Councilor Frye

7C. Dedication – Councilor Frye

**R-4 Zoning.** Councilor Duffy thanked everyone who came out in support of their neighborhood. He said there are areas where zoning does not make sense in a city the age of Fredericksburg but he said many neighborhoods are zoned R-4 and it was inappropriate and leaves those areas vulnerable to redevelopment. He said he was aware of the difficulty of downzoning but it was a priority to protect those vulnerable neighborhoods.

Councilor Kelly said in regards to downzoning he asked if they downzoned to R-2 would it stop the project. Mr. Johnston said this area would be better zoned R-2 but in order to downzone it must meet several legal standards set by Virginia Supreme Court.

Councilor Kelly asked if the staff was still looking into the issue that some of the stormwater may not be locally generated but coming from outside the area. Mr. Johnston said they were still looking into it, but there was no evidence of where it may be coming from at this point. Councilor Kelly said if this was a problem that was created by the City something should be done to mitigate it, and he would like the neighborhood to receive a response from the City.

Councilor Kelly asked Mr. Johnston to address the statement that this was not a by-right project and Mr. Johnston said this was a by-right circumstance and there was an ordinance that says subdivisions approve with nine or fewer lots would be approved administratively. The submitted application has been denied because it does not currently meet all the standards.

Councilor Frye sympathized with the residence and said he has seen those issues that they were concerned about with the drainage.

Vice-Mayor Wither asked City Attorney Dooley if they should wait for a ruling on the down zoning before discussing and City Attorney said she would recommend Council wait until the staff gives a full briefing and then they should make a decision on the options.

**Fredericksburg Gun Giveback.** Councilor Frye announced that the City has a gun giveback program. He pleaded that people please bring any unwanted guns to the Police Department to get those guns off the street and to prevent unnecessary shootings.

**Dedication.** Councilor Frye commended Councilor Duffy for his dedication and for pushing through his illness and continuing to call in for the meetings even though he did not feel up to it.

**City Manager's Consent Agenda Accepted for Transmittal as Recommended (D19-217 thru D19-231).** Councilor Kelly moved approval of the City Manager's consent agenda items; motion was seconded by Councilor Devine and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

- Ordinance 19-15, Second Read, Granting a Ten-Year Non-Exclusive Franchise to Cellco Partnership d/b/a Verizon Wireless, for Wireless and Fiber Infrastructure Within the Public Right-of-Way of the City of Fredericksburg (D19-217).
- Ordinance 19-17, First Read Approved, Setting a Tax Rate for Tangible Personal Property Used by Data Center (D19-218).
- Ordinance 19-18, First Read Approved, Amending the Water, Sewer fees Rates and Charges (D19-219).
- Ordinance 19-19, First Read Approved, Increasing the Refuse Collection Fees (D19-220).
- Ordinance 19-20, First Read Approved, Increasing Fees for Zoning and Land Use Application, Plan Review, Land Disturbance, and the Downtown Parking Fund (D19-221).
- Ordinance 19-21, First Read Approved, Amending the City's Elderly and Disabled Tax Relief Program by Increasing the Limitation on Applicant Eligibility from \$200,000 in Assets to \$300,000 in Assets (D19-222).

- Resolution 19-44, First Read Approved, Amending the Fee Schedule for Building Permits, Inspections and Certificates in Accordance with City Code Section 18-43 (D19-223).
- Resolution 19-47, Approving the 2019-2020 Community Development Block Grant Annual Action Plan (D19-224).
- Resolution 19-48, Approving a Fiscal Year (FY) 2019 Budget Amendment Appropriating Funds in the Public Facilities Fund for the In-Line Skate Park (D19-225).
- Transmittal of Board and Commission Minutes
  - Architectural Review Board – February 11, 2019 (D19-226).
  - Architectural Review Board – March 11, 2019 (D19-227).
  - Architectural Review Board – March 25, 2019 (D19-228).
  - Fredericksburg Clean & Green Commission – April 1, 2019 (D19-229).
  - Fredericksburg Arts Commission – March 20, 2019 (D19-230).
  - Green Committee – February 12, 2019 (D19-231).

**Adoption of Minutes.** Councilor Kelly moved approval of the April 23, 2019 Public Hearing and Regular Session minutes; motion was seconded by Councilor Duffy and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Rappahannock Emergency Medical Services Council Board of Directors (D19-232).** Councilor Devine moved to appoint Deputy Chief Mike Jones to the Rappahannock Emergency Medical Services Council Board of Directors; motion was

seconded by Vice-Mayor Withers and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Ordinance 19-16, Second Read Approved, Setting the Real Estate Tax Rate at \$0.85 Per Every \$100.00 of Assessed Value of Real Estate for Fiscal Year 2020 (D19-233).** After staff presentation Vice-Mayor Withers made a motion to approve Ordinance 19-16, on second read, setting the Real Estate Tax rate at \$0.85 per every \$100.00 of assessed value of real estate for Fiscal Year 2020; motion was seconded by Councilor Devine and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Resolution 19-45, Second Read Approved, Appropriating Funds for Fiscal Year 2020 Beginning July 1, 2019 through June 30, 2020 (D19-234).** After staff presentation Councilor Duffy disclosed that he is an Assistant Principal for the Fredericksburg City Schools but he was able to participate in the transaction fairly, objectively and in the public interest. Councilor Frye disclosed that his wife is an employee of the Fredericksburg Public Schools but he was able to participate in the transaction fairly, objectively and in the public interest.

Councilor Devine made a motion to approve Resolution 19-45, on second read, appropriating funds for Fiscal Year 2020 beginning July 1, 2019 through June 30, 2020; motion was seconded by Councilor Kelly and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Resolution 19-49 Approved, Authorizing the Use of \$321,028 in Motor Fuels Taxes for the Virginia Railway Express and \$40,300 for the Potomac and Rappahannock Transportation Commission for Fiscal Year**

**2019 (D19-235).** After staff presentation Councilor Kelly made a motion to approve Resolution 19-49 authorizing the use of \$321,028 in motor fuels taxes for the Virginia Railway Express and \$40,300 for the Potomac and Rappahannock Transportation Commission for Fiscal Year 2019; motion was seconded by Vice-Mayor Withers and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Resolution 19-50, Approved, Accepting the International Coalition of Sites of Conscience Final Report, and Endorsing Fredericksburg's Next Steps (D19-236).** Mayor Greenlaw explained that there were many meetings held over the past year and the City engaged International Coalition of Sites of Conscience and they made three reports and the final was being presented for approval. The final reports include near term and long term goals and suggestions for the City. Mayor Greenlaw said the one thing that came out of the many conversations was that the City does not do a good job of telling its history.

Council Frye thanked the Council for allowing him, Mayor Greenlaw and City Manager Baroody to embark on this journey. He said this has allowed people from all walks of life to comment on the subject and this was an opportunity to get the story out about African American history in the City of Fredericksburg.

Mayor Greenlaw noted that there were many stories that are untold and need to be recorded and told. She said this was an opportunity for the City to tell the story of the making of America, development of America, race relations, how slaves became servants, then became skilled and then became professionals. She spoke about how there was a section

of Princess Anne Street that was black owned businesses and she said those things needed to be recognized.

Councilor Kelly stated that he was very proud of the community for being able to work on this in a civil way. He said the unfortunate thing about the conversations is that it was locked in on one period of time in the City's history. He spoke about how people came here as property and now the City has a black Councilor serving on the City Council. He said he looked forward to telling that whole story.

Vice-Mayor Withers encouraged everyone to read the report because it laid out how the City needed to go about moving forward. He said it was a great road map and he said it will be a long process.

Mayor Greenlaw spoke about the yearlong effort to commemorate the first slaves that came to America in 1619. The Fredericksburg Area Museum has a yearlong series called Hen Asem "Our Story" that they will be displaying.

Councilor Duffy thanked Mayor Greenlaw and Councilor Frye and all who participated. He said everyone learned something from the discussions. He said this was critical to the future of the City and everyone needed to be involved.

Councilor Devine also thanked everyone for heading this up. She spoke about how important it was to discuss the racial issues. She said the City was moving in the right direction and she was thankful the community could work together to have these conversation.

Councilor Frye made a motion to approve Resolution 19-50, accepting the International Coalition of Sites of Conscience Final Report and endorsing Fredericksburg next steps; motion was seconded by Councilor Devine and passed by the following recorded

votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Resolution 19-51, Approved, Assigning Fund Balance for Funding Future Projects (D19-236).** Councilor Frye made a motion to approve Resolution 19-51, assigning fund balance for funding future projects; motion was seconded by Councilor Devine and passed by the following recorded votes. Ayes (7). Councilors Greenlaw, Withers, Devine, Duffy, Frye, Graham and Kelly. Nays (0).

**Resolution 19-52, Approved, Declaring the Conditions Caused by the Opioid Epidemic to be a Public Nuisance and Authorizing Civil Litigation Against the Parties Determined to be Responsible for Causing and Perpetuating the Opioid Epidemic in Order to Recover the City's Costs of Abating the Public Nuisance (D19-237).** City Attorney Dooley explained that the primary purpose for this resolution was to declare the conditions caused by the opioid addiction epidemic a public nuisance in the City and it would also authorize the City Attorney and the outside Counsel to file a civil lawsuit against prescription drug manufacturers, distributors and benefits managers to recover the public costs of abating the public nuisance. The Virginia State Health Commissioner has declared a public health emergency related to the opioid addiction crisis. Ms. Dooley said what they have found is that this public health emergency has had real affects in Fredericksburg. Indicators that there is an opioid addictions in the City can be seen in the Department of Health statistics by looking at the overdose mortality rate in Fredericksburg related to prescription opioids and illegal opioids, the spread of Hepatitis C which is related to opioids addiction because of the sharing of needles, emergency room visits related to overdoses, and emergency medical

service calls that relate to drug overdose and the administration of narcan, HIV statistics and other issues.

The City hired a civil litigation team consisting of the law firms of Sanford, Heisler and Sharp and Kaufman and Canoles in July of 2018. They conducted a study of the fiscal impacts of the opioid addition health emergency in the City and it was in the millions of dollars spent over the last five years in an attempt to abate the public nuisance. They will attempt to recover a portion of those dollars spent trying to abate the nuisance.

Councilor Frye thanked the City Attorney for her work on this and he said he would not support this because this was not the first epidemic of its kind. He explained that years ago there was a crack epidemic and out of that came the three strikes law and he said it was directed at minorities to incarcerate them. He said on the basis of this he could not support and he stated that law firms are making money off localities.

Mayor Greenlaw asked the City Attorney to clarify how many localities the firm was working for and Ms. Dooley said there were 33 different localities that have filed suit and the City would be part of that effort.

Councilor Graham asked why the benefits managers were included in the lawsuit and Ms. Dooley explained that the benefit managers determine which prescription medicines are paid for by the insurance and they tend to approve the opioids for reimbursement under the health insurance, which meant they would get prescribed sometimes over medications that were more appropriate and they received a thirty-three (33) percent bonus on every pill sold. Mr. Graham said he was in support because of the greed and disregard to life and he felt something needed to be done.

Councilor Kelly said he voted against moving in this direction but he said the opioid crisis was a crisis and someone should be held responsible for what has happened but he said

he did not like the term abating. He said the city was not abating the problem, but instead, the City was abating its costs. He said this was treating the symptom and not dealing with the problem. He asked what the city would do with the money if it received some of its money back.

Councilor Duffy said he would support the resolution because this was an industry that defrauded people. He said there were inappropriate practices all along the chains of command. This was an important area that the City needed to strike out against. The abatement efforts that the City continue to make will continue for decades. Councilor Duffy said he hoped there was a better understating about addiction than there was in the 80's. He said everyone spoke about the cost of this epidemic on police, fire and rescue but no one has spoken about the cost to lives and families and there is a need to stop this from happening again.

Mayor Greenlaw said she hoped there was a better understanding of addiction and she hoped people have learned from the mistakes of the past to help with the crisis of today. She said this epidemic was crossing all boundaries. She said the telling figure was the 21.8 babies out of 1,000 that are born addicted and she said the money to abate was in attempt to deal with those babies, creating programs to deal with addiction.

Councilor Graham made a motion to approve Resolution 19-52 declaring the conditions caused by the opioid epidemic to be a public nuisance and authorizing civil litigation against the parties determined to be responsible for causing and perpetuating the opioid epidemic in order to recover the city's costs of abating the public nuisance; motion was seconded by Councilor Duffy and passed by the following recorded votes. Ayes: Greenlaw, Withers, Devine, Duffy, Graham. Nays: Frye and Kelly.

**City Manager’s Report and Council Calendar (D19-238 thru D19-239).** City Manager Baroody reviewed the Manager’s report and Council Calendar. Activities highlighted on the report were as follows: Historic Half Marathon and Semper 5ive Run, Polling Place Change, Open Later for Tax Deadline, Certifications Received Police Department Annual Report, Newly Upgraded Mobile Command Unit Returns to Service for Historic Half Marathon, Earth Day, New Fitness Trail at Dixon Park and City’s Asphalt and Concrete Rehab Gets Underway.

**Adjournment.** There being no further business to come before the Council at this time, Mayor Greenlaw declared the meeting officially adjourned at 9:57 p.m.
