

Summer Camp FAQ

- 1. What happens after I register my child for camps?** Please mark the camp dates on your calendar and plan to show up at the scheduled date, time and location. Some of our camps will require additional information from you. Please watch your email for additional follow up information. If at anytime you have a question about your camp, please feel free to contact our front desk staff at 540-372-1086 ext. 0 or fredprpf@fredericksburgva.gov.
- 2. Do I need to provide my child's birth certificate at registration?** Yes, a copy of your child's birth certificate is required at the time of registration for first time registrations. Online accounts must provide your child's birth certificate before camp signups.
- 3. Didn't I already show you my child's birth certificate last year?** If you aren't sure if we have your child's birth certificate on file, please call our front desk to verify if we have record of it on file. 540-372-1086 ext. 0 or fredprpf@fredericksburgva.gov.
- 4. How do I cancel my camp registration and can I get a refund?** Individuals wishing to withdraw and/or requesting a refund must do so by contacting the Fredericksburg Parks, Recreation and Events Department. Individuals must follow up their verbal cancellation request with a written refund request and submit it to Fredericksburg Parks, Recreation and Events Department prior to cancellation deadlines. A 10% administrative fee will be charged on all refund requests for advanced cancellations. Cancellation requests less than two weeks (14 days) before camp start date are eligible for a 50% refund. And there are no refunds on cancellations less than 7 days before camp start date. There will be no refunds given to those who withdraw after program start date. Refunds will require 4 weeks for processing unless paid by credit card. Credit card refunds will take 5 business days to process.
- 5. Should my child bring lunch to camp?** If your camp is a half day (9am-12pm) camp, then your child will not need to bring lunch. If your camp is a full day (9am–4pm) camp, then please provide lunch for your camper. We recommend a snack and drink/water bottle for both half and full day camps too. We do not have access to a refrigerator for any of our camps, so please provide lunches that will keep in warmer weather.
- 6. What about water?** Please send a drink or water bottle with your camper each day – we can refill the bottle throughout the day.
- 7. What about snacks?** We recommend send a snack each day for all camps especially if your camper is one that needs to eat throughout the day. Some camps provide snacks but if your child has an allergy please note on the registration form and send a snack with your camper each day just in case.

- 8. Is there anything else my child should have for camp?** Some camps will have a supply list, but in general if your camp is an outdoor camp please remember to apply sunscreen, bug spray, chapstick, and/or a head covering to your camper. Also, please pay attention to appropriate clothing and footwear (closed toed shoes or clothes and shoes that can get wet and dirty).
- 9. What is the heat policy?** We do have a heat policy for athletics and copies are available upon request at the Dorothy Hart Community Center. Basically, we try to structure our camps to minimize heat exposure to our campers and staff.
- 10. Do you ever cancel camp?** We have, on occasion, cancelled camp. ALL cancellations will be made via Fredericksburg Alert. If you have not registered to receive alerts, please visit www.fredericksburgalert.com and sign up for "Program Cancellations." An alert will be sent to your email or cellphone as soon as a decision is made. Also, follow us on Facebook.
- 11. What if it storms after camp has started?** A little rain can feel good on a hot summer camp day, but a severe storm will either move the camp indoors or force camp cancellation. We try not to cancel camp AFTER you have dropped off your camper, so if you have a concern please check with camp staff when you drop your child off.
- 12. If camp is cancelled, do you make it up?** Camps typically do not make up cancelled dates because of the tight schedules and facility availability.
- 13. What will happen if my child gets sick?** If your child gets sick, we will use the emergency contact information you provide to us to contact you. In the interim between calling your emergency contact and the arrival of someone to pick up your child, we will try to make your camper comfortable. In the event of a severe illness, we will seek medical attention for your child.
- 14. What if I need someone else to pick my child up – who should I tell?** We expect parents to pick up campers unless otherwise specified. We have a form available for the parents to complete that authorizes others to pick up your camper. If an emergency occurs and you have not completed the form, please contact the FPRE office at (540) 372-1086 x 0.
- 15. What about bee stings or bug bites?** If your child is allergic to bee stings or bug bites, please make sure that you provide us that information. Some of our outdoor camps have a specific question about administration of an antihistamine by camp staff. You may elect to authorize our staff to administer medication or not. If you would prefer that our staff not administer medication, we will contact you if your child is stung/bitten and complains about irritation or illness.

- 16. My child is shy, has a fear of spiders, has allergies, has an ADA-qualifying disability – who should I tell?** We ask if your child has any “physical disability, allergies, medication, or facts of which we need to be aware”. PLEASE use the space on your registration form to let us know anything about your child that you believe would be helpful in providing a safe and enjoyable experience for your camper. If your child is shy or has a fear of spiders, or if your child has a disability for which we need to plan, please let us know. We hire camp staff based not only on the number of campers registered but also on the type of activities associated with the camp. If your child will require any extra encouragement in certain situations or when paired with other children, we would like to know.
- 17. Sports- there is an additional form for age waiving up and it can only be one year and only into the novice division and up. Programs- we have some programs where children have permission from instructors to be placed in advanced classes due to their advanced talent.
